Carrollton, TX 75010

OBJECTIVE

Become Entrepreneur with self-own industry

EDUCATION

Coppell High School - Coppell, TX	High School Diploma
GPA: 90	July 2010

North Lake Community College - Irving, TX	A. S. Liberal Science
GPA: 3.7	December 2012

University of North Texas - Dallas, TX	B. A. Psychology
GPA: 4.0	Graduated May 2018

EMPLOYMENT

UPS - DFW Airport, TX	October 2015 - December 2015
------------------------------	------------------------------

- Worked in a highly chaotic and rigorous environment as a package handler in the winter
- Experienced the grind of long manual labor in order to maintain efficiency and productivity in a steady factory
- Learned the value of teamwork; Each player has a role and responsibility that can either hinder the entire factory or propel its production forward
- Referral: Kevin Zavala, Part-Time Supervisor (940) 536 -7726

Thomas Haley Elementary School - Irving, TX	May 2012
--	----------

- Volunteered to assist in running an after-school debate class
- Educated students to think critically about current events and develop their perspectives and opinions
- Learned to exercise authority; Learned to earn the respect of students as an authority figure to prevent disruption and chaos
- Discovered insight into what influences a student's mind most (family matters more than school)

University of Texas at Dallas - Richardson, TX	Summer 2007; Summer 2008
---	--------------------------

- Employed for Summer Chess Program run by Chess Masters Scholars
- Coordinated with staff to manage a fast-paced and demanding schedule (preparing meals, organizing storage, running errands for head coordinator, etc.)
- Invaluable opportunity to be mentored by grandmaster chess players (gained insights on how professionals instruct their students about chess)

University of North Texas - Denton, TX	January 2016 - December 2017
---	------------------------------

- Worked as SI Leader for Learning Center
- Facilitated group study sessions for statistics
